Z-Girl District Pilot Overview

A safe, character-driven AI learning companion fo schools & youth programs

What Is Z-Girl?

- AI-assisted learning companion
- Supports youth reflection
- Builds confidence
- Grounded in the LEAP framework
- Supports—not replaces—educators & families

How the Pilot Works

- 30–60 day pilot
- Small cohort (ages ~10–16)
- Web-based; no install required
- No curriculum replacement or grading

Safety First

- Bounded, values-aligned interactions
- Calm safety check-ins
- Encourages trusted adult involvement
- Not a therapist or emergency service

What Districts & Partners Receive

- Engagement insights
- Educator & facilitator feedback
- Family-aligned reinforcement
- Low-risk evaluation of responsible AI use
